2. TERMS OF SALE

- 2.1. The Distillery agrees to sell and provide (as applicable) to the Customer, and the Customer agrees to purchase and receive from the Distillery, the Casks filled with the New-Make and the Services, under and in accordance with the terms of the Agreement.
- 2.2. The Customer acknowledges and declares that it is of legal age and/or of legal status (as applicable) permitting it to purchase and use the Product (whether personally or for commercial purposes) according to applicable laws and regulations at the relevant jurisdictions.

3. AGEING OF THE PRODUCT

- 3.1. Upon receipt by the Distillery of payment of the Cask Purchase Price, the Distillery will fill the amount of Casks specified by the Customer in the Order Form with the Product. The Distillery may also offer the Customer to purchase casks owned and filled in advance by the Distillery, provided such pre-filled casks have the same characteristics as the Cask and Product the Customer wished to purchase.
- 3.2. Casks will be filled with Product at a rate of alcohol by volume of 63% ABV to 68% ABV, or any other rate customarily used by the Distillery for its own products.

3.3. The following shall apply during the Ageing Period:

- 3.3.1. The Casks with Product will be stored and maintained by the Distillery at a location under its control and supervision, in conditions similar to those in which the Distillery stores and maintains its own casks and/or products.
- 3.3.2. The Distillery may, in its sole discretion, monitor and/or adjust the Product and/or the conditions of the storage of the Casks, in order to preserve or improve the quality of the Product.
- 3.3.3. The Distillery shall procure that the Casks and Product be covered under the same insurance policies covering the Distillery's own casks and stock.

- 3.4. At the expiry of the first 3 years of the Ageing Period, or at any time thereafter during the Ageing Period, the Customer may notify the Distillery it wishes to bottle the Product. At such time, the Customer shall also notify the Distillery regarding the desired rate of alcohol by volume of the bottled Product, subject to the condition of the aged Product in the Cask.
- 3.5. If, following the expiry of the Ageing Period (i.e., following the expiry of 10 years since the date the Cask was filled) the Customer fails to provide such notice, and the Distillery is unable to receive a response from the Customer and/or its Primary Contact Person for more than 90 days, then ownership over the Cask shall transfer to the Distillery, and the Customer shall be entitled to receive a refund of 50% of the Cask Purchase Price paid by it.

4. BOTTLING AND PACKAGING (THE "SERVICES")

- 4.1. Upon receipt of notice from the Customer in accordance with Clause 3.4 above, according to which it wishes to bottle the aged Product, and subject to the payment in full of the Services Price, the Distillery shall bottle the aged Product contained in the Casks in bottles provided by the Distillery. The Customer may provide the Distillery with its own bottles, provided they are certified by the Israeli Standards Institute, are approved as 'Kosher' by the Rabbinat providing 'Kosher' certification to the Distillery at that time, are compatible with the bottling machinery used by the Distillery at that time and are compatible in all other respects with applicable law.
- 4.2. The Customer acknowledges and agrees that bottling of the Product shall take place only at the Distillery's premises and under its supervision.

- 4.3. The Customer acknowledges and agrees that during the ageing process, the Product will lose both volume and alcohol at a rate which cannot be accurately predicted and/or guaranteed, and that, therefore, the number of bottles which can be filled with Product from each Cask cannot be predicted and/or guaranteed as well. For the avoidance of doubt, the price per bottle specified in the Price List, shall be payable by the Customer only in respect of bottles actually filled and delivered to the Customer at the end of the bottling process.
- 4.4. The Customer acknowledges and agrees that the Distillery may, in its sole discretion, keep up to 3 bottles filled with Product from the Customer's Cask, for knowledge, expertise and record keeping purposes, and the Customer shall not be liable to pay the price per bottle specified in the Price List for such bottles.
- 4.5. The Distillery shall label the bottles with labels provided by the Customer, subject to the prior approval of the Distillery of such labels. If Customer does not provide its own labels, the Distillery shall label the bottles using labels of its own design, at its sole discretion. The Customer acknowledges and agrees that the Distillery may incorporate its trademarks, logo and name, as well as other details required by applicable laws and regulations, into any labels used.
- 4.6. Upon the Customer's request, the Distillery will provide design services in connection with the Customer's bottles and/or labels, provided that all intellectual property rights in any design or customization made by the Distillery as aforesaid shall belong to the Distillery.
- 4.7. Following the completion of the bottling of the aged Product, the Distillery shall prepare the bottles for shipment, and thereafter shall notify the Customer accordingly. It is the Customer's responsibility to provide and pay for transport, taxes, duties and handling charges applicable to shipping the bottles from the Distillery to its preferred address.

6.3.1. The prices listed in the Price list are also exclusive of any costs related to, or in connection with, the shipment of the bottled aged Product to the Customer, including, without limitation, any transport, import, export and/or insurance costs, and any taxes and/or duties in connection with the same, which shall remain the sole responsibility of the Customer.

8. LIMITATION OF LIABILITY

- 8.1. In the event the contents of a Cask are severely damaged or lost during the Ageing Period, excluding any such damage or loss caused by the Customer and/or anyone on its behalf, the Distillery shall make commercially reasonable efforts to replace such damaged or lost Cask with another cask with similar age and characteristics at no extra charge, or if such solution is not available, refund the Customer the amount paid by the Customer until such time. For the avoidance of doubt, the Customer acknowledges and agrees that the foregoing shall be the sole remedy to which it is entitled in the event the contents of a Cask are severely damaged or lost, and hereby irrevocably waives any right, contention, claim, remedy and/or cause of action with respect to the foregoing.
- 8.2. Nothing in the Agreement shall exclude the liability of either party for death or personal injury resulting from negligence, fraud, fraudulent misrepresentation, or any other liability which may not be excluded by applicable law.

- 8.4. Subject to Clauses 8.2 and 8.3, the Distillery's entire liability under or in connection the Agreement shall be limited to an amount equivalent to the price actually paid by the Customer.

- 9.2. Nothing in the Agreement shall be construed or interpreted as giving title, license and/or permission to the Customer to use any of the Distillery's IP, without the prior written consent of the Distillery, other than the use and/or sale by the Customer of the bottles purchased by it within the framework of the Agreement, and only to the extent the Distillery's IP constitutes an inseparable part of the bottles and/or labels sold to the Customer as aforesaid.
